## CHANGES IN RETAIL BANKING IN RURAL COMMUNITIES

**November 7, 2018**

5:00 p.m.

Cankdeska Cikana Community College

Room: College Café

214 1st Ave

Fort Totten, N.D.

The Community Development Department of the Federal Reserve Bank of Minneapolis, in partnership with Cankdeska Cikana Community College, invites you to a listening session focused on changes in retail banking in rural communities. We want to hear about your personal experiences, so we can better understand the real impacts of bank closures and other banking changes on rural communities and residents. What are your financial needs and how has your life changed given past bank branch closures in Benson County? Please join us and share your perspective.
