Learn how to start your own business and learn about financing options for business. Representatives from Grand Forks SCORE will provide a thorough roadmap of the basics of business as well as financing options tips.

You will learn from presenters as well as receive a helpful guide (magazine) that you can take with you.

If you feel as though you would want to access the services of those presenting, they will certainly set up an appointment with you.

*SCORE is a nonprofit association dedicated to helping small businesses get off the ground, grow and achieve their goals through education and mentorship. We have been doing this for over 50 years. Because our work is supported by the U.S. Small Business Administration (SBA), and thanks to our network of 11,000+ volunteers, we are able to deliver our services at no charge or at very low cost.*
