An employee must have completed a 90-day probationary period within their current position, prior to transferring. If employed by a grant program any accrued annual leave will be paid out at the time of transfer.

An employee may be placed on ‘probation’ or have probation extended for a 30, 60, or 90 day period as determined by the supervisor as a component under rules of conduct (section 613) or a disciplinary action (section 614).

309 Safety

Revision Date: 01/24/2017

The safety and security of the CCCC campus is overseen by the Facilities Manager, but specifically the CCCC Chief Security Officer.

All entry points throughout CCCC will be locked, except for the entrances located by the Registrar's Office and Student Union and the Valerie Merrick Memorial Library (VMML) which will be opened for normal hours of operation.

All faculty and staff will have access to locked entry points via their employee badge. Faculty, staff, and students who have access to locked entry points are strictly prohibited from letting anyone enter, except in the case of an emergency, which is defined as an unexpected or sudden event that must be dealt with urgently and documented via an Incident Report Form.

Employees that have access to Wakanheza Oti (Sacred Children's Place) should not use their access to allow others to enter the facility. It is permissible for employees to escort a visitor into the center if the visitor needs to see the Director, Assistant Director, or any Instructor that may occupy an office within the center. The employee must escort the visitor to the Director, Assistant Director, or Instructor. If no one is available, the employee must escort the visitor out. The visitor is not allowed to enter the observation booths, classrooms, or kitchen. Under no circumstances is the employee to leave the visitor unattended. Violation of this policy will result in disciplinary action, up to and including termination of employment.

Campus access for weekend or evening events will be coordinated with the Chief Security Officer to assure coverage.

The ID badge must be turned in immediately to the Chief Security Officer if an employee resigns or employment is terminated by CCCC.

All **visitors** must report to the Student Services offices (main entry/receptionist) for a Visitor's Badge and log-in. Logging-in requires time/length and purpose of visit. Visitors will remain in the designated waiting area at the main public entrance, until the applicable staff member or department representative arrives. A visitor who does not have a Visitor's Badge visible or did not sign in will be escorted by a Security Officer to Student Services to sign-in and receive a Visitor's Badge. Badges will be turned in when visitor departs campus.

Maintaining a safe work and study environment for all the students, faculty, and staff is a responsibility of all and the College will make every attempt to assure a safe environment. The College complies with all federal, state, and local safety regulations.

In the event that any person is endangered by another person, Law Enforcement will be called to the scene. Law Enforcement will remove the person/persons causing the disturbance on College property and will provide the College with a full report of the

incident. All faculty and staff complaints or incidents must be directed to the Chief Security Officer. Any student safety complaints must be directed to the Academic Dean, and if appropriate to the Chief Security Supervisor.

310 Campus Security

ID Badge

In order to protect the safety and welfare of students and employees of CCCC and to protect the property of CCCC, all persons on the property under the jurisdiction of CCCC shall be required to visibly wear an ID or Visitor's Badge.

If not wearing an ID or Visitor's Badge the individual will be required to identify themselves upon request of the Safety/Security Officer or any CCCC Employee. A person identifies himself/herself by providing his/her name and complete address; date of birth and by stating truthfully his/her relationship with the College. A person may be asked for some form of identification.

If a person refuses or fails upon request to present evidence of his/her identification and it reasonably appears that the person has no legitimate reason to be on the campus or in the facility, the person will be escorted off the premises of the campus or facility by the Safety/Security Officer or Safety/Security Coordinator.

If such person refuses to be escorted off campus, local law enforcement shall be called to assist. In addition, if the person is a student he/she may be subject to on-campus disciplinary actions.

Each person is responsible for making the workplace a secure environment for everyone. The following security guidelines apply to all employees:

- Keys/ID Badge's given to CCCC Employees may not be duplicated or loaned to anyone. Lost keys/ID Badge's must be reported to the Safety/Security Coordinator immediately.
- Each person is responsible for turning off the lights and equipment, such as fans, heaters, radios, and computers, at his or her individual work area at the end of each workday.
- During working hours, purses, wallets and keys should not be left out in the open where they are easily seen.
- Any employee who notices any unusual condition or office must report this condition to the Safety/Security Coordinator immediately.
- The Safety/Security Office has primary responsibility for building security.

311 Children in the Workplace

Revision Date: 01/24/2017

Cankdeska Cikana Community College is sensitive to the needs of working parents and is committed to reasonably accommodate working parents. It is the employee's responsibility to make arrangements for childcare during the workday, however we recognize that there may be unexpected events that disrupt the normal routine.

With the approval of the immediate supervisor, children may be brought to the workplace by parent employees/guardians for brief visits, in the event of an emergency, or other times when there are no other alternatives (e.g., unplanned early dismissal from school, or child care provider suddenly unavailable).

Such arrangements are only temporary and may be granted only under the following:

- The parent/guardian employee must supervise the child (ren) at all times.
- The child (ren) should never be left unattended or with other employees.
- Under no circumstances should a child with an illness that prevents him/her from being accepted by a regular child care provider or from attending school be brought into the workplace.

Although the college strives to be a family-friendly environment, it must be recognized that it is not appropriate to bring children to work for the following reasons:

- Safety is the primary concern when considering the presence of children on campus. Children in the workplace create a potential liability for the department and the College.

Children in the workplace can disrupt the environment for the employee, co-workers, and others in the area. It creates an atmosphere that is not conducive to work performance and fulfillment of job expectations.

401 Employment Classification

The following terms are used to describe employees and their employment status:

Exempt Employees – Employees whose positions meet specific tests established by the Federal Labor Standards Act (“FLSA”) and North Dakota state law. In general, exempt employees are those engaged in executive, managerial, high-level administrative and professional jobs that are paid a fixed salary and perform certain duties. In addition, certain commissioned sales employees and highly paid computer professionals are exempt. Exempt employees are not subject to the minimum wage and overtime laws.

Nonexempt Employees – Employees whose positions do not meet specific tests established by the FLSA and North Dakota state law. All employees who are covered by the federal or state minimum wage and overtime laws are considered nonexempt. Employees working in nonexempt jobs are entitled to be paid at least the minimum wage per hour and a premium for overtime.

402 Employment Categories

FULL-TIME STAFF (Includes 12 month instructors): Employees who are not in a temporary or probationary status and who are regularly scheduled to work the organizations full-time schedule (40 hours per week). Generally, they are eligible for the employer's full-time benefit package, subject to the terms, conditions, and limitations of each benefit program. Full time employees may be funded from grants and other funding sources. Full time employees hired for a specific grant will be paid from that grant and are limited to employment for the duration of the grant.

FULL-TIME FACULTY (Includes 9 month instructors): Employees who are eligible for the employee's full benefit package, subject to the terms, conditions, and limitations of each benefit program, with the exception that they are not eligible for annual leave. In lieu of that annual leave benefit, these employees receive three paid personal leave days per nine-month academic year. TEMPORARY: Employees hired as interim replacements, to temporarily supplement the work force, or to assist in the completion of a specific project. Employment assignments in this category are of a limited and definite duration. Employment beyond any initially stated period does not in any way imply a change of employment status. "Temporary" employees retain that status until notified, in writing, of a change. While temporary employees receive all legally mandated benefits (such as workers' compensation insurance and Social Security), they are not eligible for any of the employer's other benefit programs.

TEMPORARY STUDENT EMPLOYEE: This classification is for CCCC students hired to assist departments funded from College Work Study or other sources. These employees receive all legally mandated benefits such as Workers' Compensation and Social Security Benefit programs. 503 Break Period

Each workday, full-time employees are provided with two 15-minute break periods. Since this time is counted and paid as time worked, employees must not be absent from their workstations beyond the allotted break period. It is the responsibility of supervisors to see that break periods are not abused and for employees to be respectful of this benefit. Breaks should not interfere with adequate office coverage. The work day may not be shortened, nor lunch hour lengthened, by skipping a break period. Lunch break is for 30-minutes.

505 Overtime

Nonexempt employees will be paid in accordance with federal and North Dakota state law.

All overtime work by non-exempt employees must be authorized in advance by the College President. Only hours actually worked will be used to calculate overtime pay.

506 Paydays

509 Administrative Pay Corrections

If there is an error in the amount of pay, the employee will promptly bring the discrepancy to the attention of the payroll clerk so that adjustments/corrections can be made as soon as possible.

510 Pay Deductions and Setoffs

Revision Date: 01/24/2017

The law requires that Cankdeska Cikana Community College make certain deductions from every employee's earnings, among these are applicable federal, state, and local income taxes. The College also must deduct Social Security taxes on each employee's earnings up to a specified limit that is called the Social Security "wage base". The College matches the amount of Social Security taxes paid by each employee.

The College offers programs and benefits beyond those required by law. Employees who wish to participate in these programs may voluntarily authorize deductions from their checks. The Business Office will assist in explaining these programs.

For optional employee deductions, the cost will be \$3.00 per deduction, per pay period. This is depending on whether or not there are any open deduction codes.

Cankdeska Cikana Community College Employees will check with the Business Office at the beginning of employment and annually to ensure they are not in debt to CCCC.

511 Wage Garnishment

A garnishment is a court order requiring an employee to remit part of an employee's wages to a third party to satisfy a just debt. Once the college receives the legal papers ordering garnishment, we are required by law to continue making deductions from your paycheck until the debt is satisfied or until documentation is received from the third party, and/or legal papers from the court to stop the garnishment. Even if you have already paid the debt, sufficient documentation and/or legal papers are required to stop the garnishment.

601 Work Schedule

If an employee desires to leave work for any reason during the workday, the employee must obtain the approval of his/her immediate supervisor prior to leaving.

Shorts, tank tops, and flip flop sandals are prohibited with the exception of the Athletic Department and sporting events.

Inappropriate dress or accessories, or poor personal hygiene which is offensive to others (including the display of hickies), will be addressed by the immediate supervisor and Human Resources Director. A staff member in violation of the dress code, appearance, and/or personal hygiene will be sent home immediately to change or remedy the situation.

Other conditions may meet the definition of continuing treatment.

The maximum length of available FMLA leave for eligible employees is 12 weeks in a 12-month period that begins with the first day of leave. The maximum length of all types of FMLA leave available during a 12-month period is 26 weeks. An employee is not required to use the FMLA leave in one block or at one time. An employee who voluntarily appears as a witness must charge his/her absence against earned annual leave or take leave without pay.

911 Military Leave

A leave of absence without pay will be granted to an employee who enters any branch of the United States Armed Services. Benefit accrual for any employee serving on active duty longer than 30 consecutive days will be calculated in accordance with applicable federal laws.

The employee will be reinstated with full seniority to his/her former position or to a comparable position if application for re-employment is made within 90 calendar days of the date of an honorable discharge or the date of release from hospitalization following discharge.

Any employee who is a member of a reserve component of the armed forces will be placed on leave of absence with pay, to a limit of thirty days per calendar year, for his/her annual training duty. Benefit programs for the employee on leave for his/her annual training will be unaffected.

912 Leave Without Pay

Full time employees may request excused unpaid leave only after having completed 90 days of service. Excused unpaid leave may be granted for a period of up to 30 calendar days. Pending the Supervisor and Dean/Program Oversight approval, and prior to College President's approval, employees must take any or all annual leave prior to the effective date of the personal leave of absence. A temporary employee may be hired to fill the position in an employee's absence.

Requests for excused unpaid leave will be evaluated based on a number of factors, including anticipated operational requirements and staffing considerations during the proposed period of absence.

The College will continue to provide insurance benefits until the end of the first full month of leave without pay. At that time, employees must pay the full costs of their insurance benefits. The employer will resume payment of the costs of these benefits when the employee returns to active employment. Accruals for benefit calculations, such as annual leave, sick leave, or holiday benefits, will be suspended by the taking of excused unpaid leave.

Employees returning from excused unpaid leave will be returned to their former position.

Leave Without Pay is an employee benefit and should NOT be considered as a means for "keeping my job" while having excessive absences and having used up all annual/sick leave.
