## Program Highlights 2023-24

1. All students that remained in program passed with CDL testing

2. All students that tested are currently employed in profession

3. Alex received bus endorsement, and both Alex and Kelly received Transition to Teaching

## Current Program Goals 2023-24

[as reported on the Fall 2023 Program Goal Status Report]

1. If student counts continue to grow we should consider getting another simulator as the hourly requirements from FMCSA make it difficult to schedule all our students on one machine.

2. Construct our own testing/practice lot.

3. Construct heated building to house our truck and allow our students to study inspections indoors during winter.

## Progress on Current Program Goals 2023-24

1. Seek funding through CTE

2. Still considered and seeking funding

3. still considered and seeking funding

## Updated/Revised Program Goals for 2024-25

[Note: At least one program goal should be targeted at improving classroom pedagogy or curriculum.]

1. If student enrollment continues to increase, may need to look at increasing faculty

2. Update curriculum based on state/federal standards

3. Construct heated building/testing practice lot
