MDU Montana-Dakota Utilities Co. Scholarship

You're probably familiar with the expression "A light bulb went on," meaning someone just had a good idea. Well that's what happened – quite literally – on the border between Montana and North Dakota in 1924.

Montana-Dakota Utilities Co. was created that year to serve a handful of small farm communities in the area. Since then the company has grown into a large regional energy supplier. During those years of growth, we've changed our name a few times, acquired a number of smaller companies and progressed side-by-side with those we serve.

Today, we're a division of MDU Resources Group, Inc., a diversified natural resources company based in Bismarck, N.D. We provide retail natural gas and/or electric service to parts of Montana, North Dakota, South Dakota and Wyoming. Our service area covers more than 168,000 square miles (5.5 percent of the continental United States), and we serve about 410,000 customers.

Over the years, Montana-Dakota has adopted the slogan "In the Community to Serve," and we believe in those words. Our success as a company is rooted in the growth and prosperity of our communities. We're committed to help meet tomorrow's challenges and opportunities by providing affordable and reliable energy services.
